

## **Wednesday Activity**

### **"ROYALTY NIGHT"**

Wednesday, October 11, 2023 is the **"ROYALTY NIGHT"** at the **"93rd BRADFORD PUMPKIN SHOW"**.

Come celebrate at the Bradford Pumpkin Show and see who will become the 2023 Miss Pumpkin. The streets come alive when the Bradford High School Band marches to their beat, and the Queen contestants drive through among the crowd. Following the parade, at the north end stage, will be the crowning of the Little Miss and Master winners and then we will get underway with the 2023 Royalty Night.

The Bradford Community Festival Association is extending an invitation to girls of sophomore, junior, and senior classes to enter. Sponsors for the entry fee may be a school organization, 4-H Club, civic group, area business, or even parents.

The 2023 Miss Pumpkin will receive \$75 cash, flowers, sash, and crown. 1st Runner-Up will receive \$50 cash and sash. 2nd Runner-Up will receive \$25 cash and sash. Awards will also be given for Miss Congeniality, Most Photogenic and Best Evening Gown. If we have over twelve contestants, we will award the top 10 contestants, and if we receive less than twelve contestants, we will only award the top 5. If we receive less than seven we will have no top 5 and everyone will answer the last question.

Contestants having further questions should contact any committee member: **Alisha Apple** (937) 564-5661, or **Megan Crowell** (937) 423-0694. If you would like to participate, please mail your name, address, phone number, a wallet-size photo, and \$25 entry fee (non-refundable) as well as the Miss Pumpkin Queens Contest Application Form to: **Alisha Apple**, 5633 North State Route 721, Bradford, OH 45308 by **SEPTEMBER 30, 2023**. Registration forms are available on the Pumpkin Show's website ([bradfordpumpkinshow.com](http://bradfordpumpkinshow.com)).

CHECKS PAYABLE TO: BRADFORD FESTIVAL ASSOCIATION.

Your school counselor will have the Miss Pumpkin applications as well as any committee member.

Please come to see who the next Miss Pumpkin will be!
